## Summer 2018 Children's Programs Registration

**Instructions:** To register, fill out form in entirety and return to the library in person, via fax, or email to children's programs at [children@pawlinglibrary.org](mailto:children@pawlinglibrary.org). Please fill out one form per family. Consult the Summer 2018 Program Guide, visit our website, or call the library for details on program specifics. Enrollment is based on a lottery system; after the lottery, programs will be filled as space is available. **Please return this form or fill out the online registration by July 2nd to qualify for the lottery.** If this is your first time enrolling in PFL Programs, you may be asked to fill out additional forms on the first day of programs. We never share your family's information with anyone, and a library card is not required for participation.

# Reading Rocks Summer Reading Challenge!

This year, our summer reading theme is “Reading Rocks!” We’re doing things a little differently to re-center the importance of reading all summer long. Boogie on down to the library to get involved in **our Reading Rocks Summer Challenge**, which aims to get families reading all summer long! Children who read will be eligible for new prizes each week that they stop in the library.

## Win Renegades Tickets!

Starting June 23, download or pick up a copy of our **Reading Rocks booklet**, with which children can earn weekly educational prizes, including “forever” books, STEAM kits, and fine forgiveness coupons. **Join and participate on or before July 2<sup>nd</sup> and be entered in a raffle for Hudson Valley Renegades Baseball family pack tickets.**

## Reader Zone

On the go this summer? Track your time spent reading using **the free Reader Zone** app for your Android, Apple, or Kindle device (as well as any desktop computer). Parents and caregivers can use ReaderZone to set personalized goals for their children’s summer reading, as well as report time spent reading directly to the library. For more information, visit <https://readerzone.com/>
