You may request registration for as many programs as you wish. If you would like to register for more than one program within the same category (One-Time or Weekly) please rank your preferences within that category by writing a 1 to indicate the program you are most interested in, 2 to indicate the one you are second most interested in, and so on. (Please do not re-use the same number within the same program category.) If space in a program is limited, the teens who ranked the program highest will be given priority. You will be informed by April 18th which programs you get into.
