AISLES

Maintaining social distance in tight quarters is hard. Please wait until everyone else has left an aisle before entering to browse.

MASKS

All staff and patrons over the age of two must wear face coverings when inside the library buildings. If you are not able to wear a face covering, please contact the library director to make special arrangements.

LIMIT

Only **seven** patrons are able to access the library building at a time. You are welcome to make an appointment using the myLibro app. Otherwise, you may need to wait patiently for others to leave before you may enter.

EXIT

Please only enter the library through the front door and only exit through the side door into the courtyard. One-way traffic makes it easier to maintain social distancing.

TIME

In order to make sure everyone gets a turn to access the library, we are asking everyone to limit their visits to **one hour** or less. Thank you for your consideration.
